

Student Success Starts with Your Support

2024 – 2025 ANNUAL REPORT

Supporting the Whole Child. Every Day. In Every Way.

Since its founding in 1982, the **San Carlos Education Foundation (SCEF)** has contributed more than \$49 million to our local public schools, bridging the gap between what the state provides and a well-rounded education for all students. Your donations to SCEF help San Carlos public schools provide a whole-child education for all students. We work in partnership with parents and the community to support additional educator positions, and innovative and core programs that are vital to an exceptional education.

Your Donation Supports:

STEM and Project-Based Learning

Your investment ensures that our children have access to supplies & materials to support critical thinking and innovation.

Music Programs

We are proud to support music, band and orchestra classes.

Your School PTA

Your donation funds every school PTA, which supports classroom supplies, art programs, community gatherings, teacher appreciation and more.

Art, Science & Innovation

Your donation supports art programs, science kits and electives.

Emotional Health & Wellness

Your contribution ensures our children have counselors who offer guidance and support.

Library & Literacy

Libraries are places for reading, gathering, research, studying and reflection. Your donation helps keep libraries open for all students.

Dear Friends,

On behalf of the San Carlos Education Foundation, we extend our heartfelt appreciation for your continued partnership and generous support. Your ongoing commitment to our mission sustains the excellence of San Carlos schools and ensures that every student has access to rich and well-rounded educational experiences.

Because of your generosity, essential programs such as Music, Art, Physical Education, Library Services, Counseling, STEM, and PTA-sponsored activities remain a vital part of our district. These programs continue to inspire creativity, curiosity, and confidence in students across all grade levels.

We are proud to share that our community's dedication to public education remains as strong as ever. San Carlos families continue to demonstrate remarkable generosity, enabling SCEF to grant nearly \$3.3 million this year to support district and school programs. This achievement reflects not only financial contributions but also the deep belief our community holds in the value of quality education.

As we look toward the year ahead, we are energized by the continued collaboration among families, educators, and community members who make our shared success possible. Your participation—through donations, workplace giving, stock gifts, and involvement in SCEF events—remains critical in helping us reach our goals and plan for the future with confidence.

We also wish to recognize our dedicated board members and SCEF staff for their leadership and steadfast commitment. Their collective effort ensures that our foundation continues to thrive and that every dollar entrusted to us is used strategically and responsibly.

Finally, to all who contribute to the SCEF community, thank you for your trust, generosity, and belief in our mission. Together, we are building lasting opportunities for San Carlos students and ensuring our schools remain strong for generations to come.

With Gratitude,

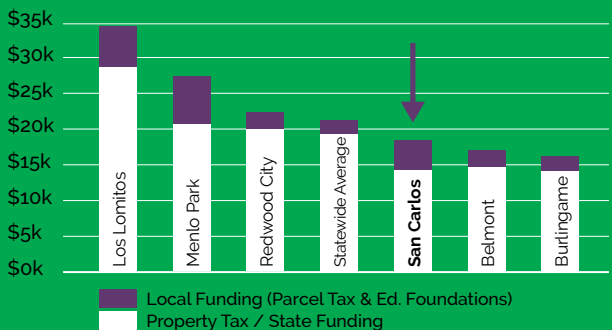

Melissa Schmidt

Why do we need an Education Foundation in San Carlos?

Public school funding has not kept pace with inflation. Your donations to SCEF help provide supplemental resources needed to protect the high-quality education students deserve. The chart on the right shows public funding in white and local support from SCEF, the Sequoia Health Care District and local parcel taxes in purple. Learn more on our website: scefkids.org/why-the-need

Working together, the San Carlos school community raises funds to ensure that students have access to programs not possible with government funding alone. From music to art, technology to mental health supports, San Carlos students benefit from your generosity.

After the passage of Proposition 13 in 1978, many local communities formed Education Foundations to bridge the gap between the resulting funding model for public schools and the needs of students. The San Carlos Education Foundation was founded in 1982 by parents who were concerned about the impact of budget cuts on school programs. Today, 43 years after it was established, SCEF continues this important work and, because of your generous donations, contributes nearly 5% of the School District/SCC annual budget.

Financial Performance

Since 2008 more than \$1,051,000 has been distributed to the San Carlos School District and San Carlos Charter from the SCEF endowment fund. As of June 30, 2025, the balance of the endowment fund was \$4,293,290. A distribution of \$100,000 was taken in fiscal year 2024. For information regarding the SCEF endowment, visit our website or contact Kathy Parmer-Lohan, Executive Director at kathy@scefkids.org

Auction In-Kind Donors 2024-2025
